Add Employee

ID: BUG-0006

Title: Incorrect displayed information update window

Priority: Low

Severity: Low

Reported by: César Rosales

Date: May 18, 2025

Status: Open

Assigned to: Development Team – Backend

System Version: -

Environment: QA – Windows 10 / Chrome 123.0

Description:

Update window is displayed as “Add Employee” as header instead of “Update Employee”

Steps to Reproduce:

1. Login to paylocity page
2. Click update to an existing employee
3. Check update window header

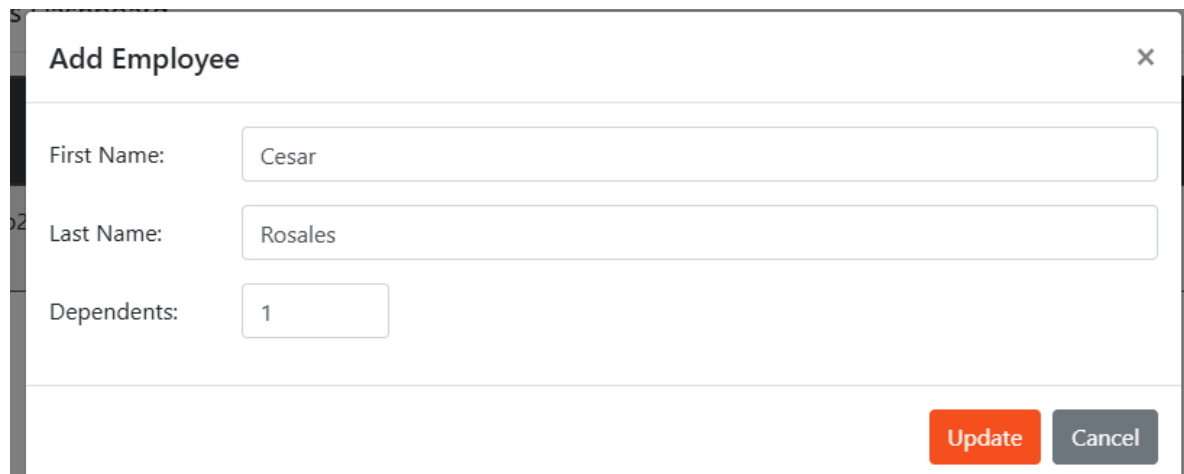

Actual result:

- Header has string “Add employe”

Expected Result:

- Header should have text “Update Employee”

Attachments:

The screenshot shows a web-based form titled "Add Employee". The form has three input fields: "First Name" containing "Cesar", "Last Name" containing "Rosales", and "Dependents" containing "1". At the bottom right of the form, there are two buttons: "Update" (orange) and "Cancel" (grey). The window has a close button (X) in the top right corner.
